Short Description

Driving premium bottled drinks sales in a compact footprint, the Williams BC1 Bottle Cooler can hold up to 112 (330ml) bottles. The full-size glass door and bright interior lighting deliver a dynamic display that will enhance the backbar area.

Description

Single door Bottle Cooler

Driving premium bottled drinks sales in a compact footprint, the Williams BC1 Bottle Cooler can hold up to 112 (330ml) bottles. The full-size glass door and bright interior lighting deliver a dynamic display that will enhance the backbar area.

But it's not just about looks: the powerful refrigeration system ensures effective chilling, keeping your customer's drinks in perfect condition. Meanwhile adjustable shelving means the cabinet can be adapted to accept non-standard bottles or cans.

The BC1 can be free standing, located under a backbar worktop or on shelving to give the impression of double stacking.

- Choice of exterior finishes - black PVC coated galvanised steel or stainless steel.
- Hard wearing exterior with hygienic, easy to clean mirrored stainless steel

interior.

- Double glazed doors and bright, low energy consumption lighting for excellent display and presentation.
- Fully adjustable nylon coated wire shelves to suit stacking requirements and accommodate vertical stacking.
- Barrel locked doors for added security.
- Adjustable thermostat, from 4°C to 10°C.
